Memorandum for: Assistant Director/00

Subject: Trade Fairs

1. Your attention is called to the attached statement of Senator Thye of Minnesota on the subject of funds which have been included in the Supplemental Appropriations bill which has just passed both the Senate and the House. The bill is presently in conference, and if anything happens to these funds I will inform you.

2. There does not appear to be anything in the hearings in support of these funds, and I understand that the support is carried in a letter from President Eisenhower to the Chairman of the Committee. As I understand this matter comes within your jurisdiction, I am forwarding Senator Thye's statement herewith.
